Dated Bangalore, 22nd August 1902

SIR,

I am directed to refer to your letter, No.Fl.134/R.F. 2-1902, dated 14th July 1902, forwarding Proceedings of the Darbar covering abstracts of Provincial Budget Estimates for the year 1902-1903.

2. Colonel Robertson desires me to enquire whether any provision has been made in these estimates for:-

(a). The repayment of the 20 Lakh debenture loan.

(b). The expenditure on His Excellency the Viceroy's visit.

(c). The probable expenditure in connection with the Delhi Darbar.

(d). Ditto Ditto the Kolar Water Works scheme.

3. If no provision has been made for these items of expenditure apparently it will be necessary to

recast the Budget. In any case it appears to be irregular to incur expenditure not covered by a Budget entry, unless formal re-appropriation from the reserve balance has been made.

4. I am also to enquire whether the Public Works Department Budget has been framed, and if so to ask that a copy may be forwarded as usual.

I have the honour to be,

Sir,

Your most obedient servant,

L. Russell.
